- Black Type Cover

Microsoft Surface Pro 4

Black Type Cover Bundle

Features

Power button	Press the power button to turn your Surface Pro 4 on. You can also use the power button to put it to sleep and wake it when you're ready to start working again.
Touchscreen	Use the 12.3" display, with its 3:2 aspect ratio and 2736 x 1824 resolution, to watch HD movies, browse the web, and use your favourite apps. The new Surface G5 touch processor provides up to twice the touch accuracy of Surface Pro 3 and lets you use your fingers to select items, zoom in, and move things around.
Kickstand	Flip out the 150-degree-angle kickstand and work or play comfortably at your desk, on the couch, or while giving a hands-free presentation.
Wi-Fi and Bluetooth	Surface Pro 4 supports standard Wi-Fi protocols (802.11a/b/g/n/ac) and Bluetooth® 4.0. Connect to a wireless network and use Bluetooth devices like mice, printers, and headsets.
Cameras	Surface Pro 4 features two cameras for taking photos and recording video: an 8-megapixel rear-facing camera with autofocus and a 5-megapixel, high-resolution, front-facing camera. Both cameras record video in 1080p, with a 16:9 aspect ratio. Privacy lights are located on the right side of both cameras. Surface Pro 4 also features an infrared (IR) face-detection camera so you can sign in to Windows without typing a password.
Microphones	Surface Pro 4 has both a front and a back microphone. Use the front microphone for calls and recordings. Its noise-cancelling feature is optimized for use with Skype and Cortana.
Stereo speakers	Stereo front firing speakers provide immersive music and movie playback experience and are 20 percent louder compared with Surface Pro 3.
Processor	The 6th-generation Intel Core processor provides speed and power for smooth, fast performance.
Sensors	Six sensors— accelerometer, magnetometer, gyro, ambient light sensor, Hall effect, Wi-Fi SAR—let apps do things like track motion and determine location.

Surface Comparison

	Surface Pro (2017)	Surface Pro 4
